

## November 2009

### Rain Jackets

The stock of rain jackets has been received and Karl & Sarah Hardcastle say sales are going well! In addition to the coats Karl and Sarah are taking orders for base layers. Don't miss out, pop along to the Pavilion on Saturday mornings and order yours.

### Wembly Trip

TJFC were delighted to be offered tickets to the England U21 match at Wembly on 14<sup>th</sup> November. Several TJFC families went along to watch the match and despite the horrendous weather I understand had an enjoyable day.

### The Pavilion

We are pleased to advised you that the kitchen at the Pavilion will now be open on Sunday mornings ensuring that hot drinks and snacks are available on cold wet winter mornings!

### Old TJFC Kit

The old TJFC kit, as reported in the last newsletter, will soon be making it's way to Columbia thanks to a request received from Chris Williams our Referees Secretary and to Africa via First Class Football.

### Assistant Referees Training

The Assistant Referees training course mentioned in the last newsletter is taking place on Monday 23rd November at Stocks Green Primary School in Hildenborough. There are a few places still available so please contact your team manager if you are interested in taking part.

### Golf Buggies

For safety reasons, only responsible adults will be given the keys in future, and children will only be allowed to hitch a lift if sitting in the passenger seat.

### Suggestions Box

Reminder - The suggestion box in the Pavilion is for your use. Any comments or suggestions you may have will be heard at future committee meetings.

On behalf of everyone at TJFC I would like to take this opportunity to wish you all a very Happy Christmas and our very best wishes for 2010.

Sarah Moore  
Club Administrator
